

Demobilization of Launcher System - Night Work

September 6 –18, 2022

What work is taking place?

Crews will be working nightly to demobilize girder launching equipment from Dupont Street. Work will be limited to Dupont adjacent to the railway bridge, with cranes and other tractor trailers being setup on Dupont. Workers will also be working on top of the elevated guideway and within the Metrolinx corridor (Barrie GO Line) at rail level.

When

Tuesday, September 6 to Sunday, September 18, 2022.

Where?

Dupont Street between Campbell Avenue and Lansdowne Avenue, under the Metrolinx bridge.

Hours

Overnight, from approximately 9 p.m. to 6 a.m.

**Please note that dates and times are approximate, and work could be rescheduled. For regular construction updates, please sign up for our Toronto West weekly newsletter by visiting our website at www.metrolinx.com/davenport or follow us on Twitter @GOExpansion.*

What to expect

Local residents can expect construction activity, noise, and lights. Crews will be using the following equipment to carry out this work: cranes, forklifts, tractor trailer traffic on Dupont Street and light towers.
