

CP Bridge Girder Delivery and Installation at CP Diamond - Overnight Work

November 4-8, 2021

What work is taking place?

Crews will be delivering and installing the girders for the new CP bridge that will allow GO trains to travel above the CP Rail tracks. This will happen overnight over the course of four nights. In advance of the overnight girder delivery and installation, crews will be bringing equipment and material, including two cranes, beams, and other parts, into the rail corridor. This will take place during the daytime over the course of the week leading up to the overnight work. Following the girder installation, crews will remove the equipment, most notably the large crane, from the rail corridor.

When

Girder delivery: Overnight on Thursday, November 4 into Friday, November 5 (one night).

Girder installation: Overnight from Friday, November 5 to Monday, November 8 (three nights).

Equipment and material deliveries: Daytime from Monday, November 1 to Friday, November 5.

Where

The CP Diamond train intersection (north of Dupont Street).

Wallace Avenue will be used to bring equipment, material, and the girders in and out of the rail corridor.

Antler Street will be used for trucks to exit the rail corridor.

Hours

Overnight work: approximately 10 p.m. to 6 a.m.

Daytime work: approximately 7 a.m. to 5 p.m.

**Please note that dates and times are approximate, and work could be rescheduled. For regular construction updates, please sign up for our Toronto West weekly newsletter by visiting our website at www.metrolinx.com/davenport or follow us on Twitter @GOExpansion.*

Why night work

The girders are being installed overhead and very close to the track. Therefore, the work must be carried out overnight when trains are not running to keep workers and train operators and passengers safe.

What to expect

Local residents can expect construction activity, noise, and lights at the CP Diamond. Activity can also be expected at the contractor's site at 640 Lansdowne Avenue, on Wallace Avenue, and on Antler Street.
