

Material Staging and Track Welding

June 13 - July 8, 2022 (20 nights)

What work is taking place?

Crews will be moving rail from North Staging Yard, north of Davenport Road, down the corridor to the CP Rail Bridge. They will also be welding pieces of rail into long strings which will be installed.

When

Monday, June 13, 2022 to Friday, July 8, 2022 (20 nights).

Where

Metrolinx Rail Corridor, north of Dupont Street to north of Davenport Road.

Hours

Approximately 10:30 p.m. to 6 a.m.

**Please note that dates and times are approximate, and work could be rescheduled. For regular construction updates, please sign up for our Toronto West weekly newsletter by visiting our website at www.metrolinx.com/davenport or follow us on Twitter @GOExpansion.*

What to expect

Local residents can expect construction activity, welding noise, and lights. Crews will be using a boom truck, speed swing, flash butt welding truck and mechanical hand equipment to carry out this work.

Why overnight?

As the worksite is congested with multiple construction activities during the day, to perform this work safely and efficiently, night work is required.
