

Rail Maintenance Work (Overnight)

February 2, 2021 to February 3, 2021

What work is taking place?

Rail maintenance work is required to ensure continued safe use of the track. It involves removing a section of rail and replacing it with a new piece of rail.

When

Overnight on Tuesday, February 2 into Wednesday, February 3.

Where

Between Wallace Avenue and Paton Road within the rail corridor.

Hours

Crews will begin at 6 p.m. on February 2 and work until the early morning on February 3.

**Please note that dates and times are approximate, and work could be rescheduled.*

What to expect

Residents can expect noise as crews remove rail spike and anchors, cut and weld rail, and distress the rail to prevent thermal expansion. Crews will work diligently to complete this work as quickly and safely as possible.
