

Bloor Street West: Temporary South Sidewalk Installation and North Bridge Abutment Demolition

October 18 to November 30, 2021

What work is taking place?

We are installing a temporary sidewalk on the south side of Bloor Street West, between St. Helens Avenue and Ruttan Street.

We are demolishing the west half of the Bloor Street West bridge north abutment (i.e. concrete structure at the north end of the bridge that supports the bridge span).

This work requires partial road and sidewalk closures - see details below.

When

Approximately October 18 to November 30.

Temporary south sidewalk installation: approximately October 18 to 20.

North bridge abutment demolition: approximately October 21 to November 30.

Where

Temporary south sidewalk installation: south side of Bloor Street West, between St. Helens Avenue and Ruttan Street.

North bridge abutment demolition: north end of the Bloor Street West rail bridge.

Hours

Monday to Friday, from 7 a.m. to 6 p.m. Some weekend and/or night work may also be required.

**Please note that dates and times are approximate, and work could be rescheduled. For regular construction updates, please sign up for our Toronto West weekly newsletter by visiting our website at www.metrolinx.com/davenport or follow us on Twitter @GOExpansion.*

What to expect

Local residents and the surrounding community can expect a few things:

- During temporary south sidewalk installation - The south lane and sidewalk will be closed between St. Helens Avenue and Ruttan Street. Two-way traffic will be maintained on the north side of the road. Drivers and cyclists will share the lane. The north sidewalk will be open for pedestrians.
- During north bridge abutment demolition - The north lane and sidewalk will be closed between St. Helens Avenue and Ruttan Street. Two-way traffic will be maintained on the south side of the road. Drivers and cyclists will share the lane. The temporary south sidewalk will be open for pedestrians.
- Heavy construction activity and noise from demolition.
