

Dupont Street Full Closures for Precast Girders Erection

April 4 – April 17, 2022 (Overnight)

What work is taking place?

The new precast bridge girders for the elevated guideway are being installed on top of the bridge that spans over Dupont Street at the GO rail tracks between Lansdowne Ave and Symington Ave. To complete this work, **Dupont Street will be fully closed intermittently between April 4 and April 17.**

When

The work will occur during the evenings intermittently between April 4 and April 17.

Where

The work will take place at the bridge that spans Dupont Street at the GO rail tracks, between Lansdowne Avenue and Campbell Avenue. The work will be carried out directly over bridge.

Hours

9:00 p.m. to 6:00 a.m.

What to expect

Closures on Dupont Street between Lansdowne Avenue and Campbell Ave will be as follows:

***Full closure of Dupont Street:** There will be no motorist, cyclist, or pedestrian access. Detours will be in place via Lansdowne and Symington avenues, and across Davenport Road. Through-traffic under the bridge is prohibited. Closure and detour signage will be in place.
