

# Hydrovacing & Daylighting

Overnight: October 13 to October 14, 2020

### **What work is taking place?**

Crews will be using a hydrovac to carry out a couple of activities. The first is the installation of sign posts at the north and south ends of our project limits within the rail corridor. The second is daylighting to investigate the existing underground infrastructure at Paton Road.

### **When**

The work is scheduled to take place from Tuesday, October 13 to Wednesday, October 14.

\*Please note these dates are tentative, and work could be rescheduled.

### **Where**

Hydrovacating will take place north of Davenport Road and south of Bloor Street, within the rail corridor. Daylighting will take place on the east side of Paton Road at the rail corridor.

### **Hours**

This work will take place overnight beginning around 9 p.m. on Tuesday, October 13 into the early morning of Wednesday, October 14.

\*Please note these times are tentative, and work could be rescheduled.

### **What to expect**

Nearby residents can expect loud noise and increased activity from this work.
