

Wade Avenue to Paton Road Grading and Drainage Installation - Overnight Work

May 11-12, 2022 (two nights)

What work is taking place?

Crews will be grading and installing drainage between Wade Avenue and Paton Road in preparation for mechanically stabilized earth wall (i.e., MSE wall) construction.

When

Wednesday, May 11 and Thursday, May 12 (two nights).

Where

Within the rail corridor between Wade Avenue and Paton Road.

Hours

Approximately 10 p.m. to 6 a.m.

**Please note that dates and times are approximate, and work could be rescheduled. For regular construction updates, please sign up for our Toronto West weekly newsletter by visiting our website at www.metrolinx.com/davenport or follow us on Twitter @GOExpansion.*

What to expect

Local residents can expect construction activity, noise, mild vibration, and lights. Crews will be using an excavator, bulldozer, loader and drum roller to carry out this work.

Why overnight?

The grading and drainage installation is taking place adjacent to the track. Therefore, it must be performed overnight when trains are not running to protect the track and the workers.
