

Overnight Utility Daylighting

Sunday, November 22 (into Monday, November 23)

What work is taking place?

Crews will be using a hydro vacuum to carry out utility daylighting, the process of exposing and locating underground utilities.

When

The work is scheduled to take place overnight on Sunday, November 22 (into Monday, November 23). This work is being carried out close to the track and as such, must occur at night when trains are not running.

Where

The work will take place at the Davenport bridge at Davenport Road and Caledonia Park Road.

Hours

This work will take place between midnight and 5 a.m.

**Please note these dates and times are tentative, and work could be rescheduled.*

What to expect

Nearby residents can expect hydro vacuum noise.
