

# North Side of Wallace Avenue Concrete Abutment Construction

September 19 – October 7, 2022 (Night shift)

**What work is taking place?**

Crews will be working on night shift to construct a concrete abutment on the north side of Wallace Avenue, in the rail corridor.

**When?**

Monday September 19, 2022, to Friday October 7, 2022.

**Where?**

Wallace Avenue between Sarnia Avenue and Ward Street.

**Hours**

Working hours: 18:00 - 23:00

**What to expect:**

Local residents and businesses can expect a second shift between the hours of 18:00 to 23:00, where crews will be constructing a concrete abutment in the rail corridor. Throughout the work, there will be zoom boom lifts, concrete pumps and trucks, cranes, manlifts, site trucks and crews on site.

*\*Please note that dates and times are approximate, and work could be rescheduled.
