

# Work on the Launch Shaft Site Begins at Renforth Drive and Eglinton Avenue West

June - September 2021

The Eglinton Crosstown West Extension (ECWE) is one of four new subway projects that will transform transit in our region; getting hundreds of thousands of people where they need to be, better, faster, and easier than today.

## WHAT WORK IS HAPPENING HERE?

Over the summer, crews will be performing construction activities at the Launch Shaft site area in preparation for tunneling to begin in Spring 2022. From June to September, activities will include:

- Installing fencing and signage around the exterior of the site.
- Removing vegetation and brush from the work zone.
- Preparing the ground for construction, building access platforms, setting up trailers, and delivering equipment to site.
- Preparation of the shaft, including piling and excavation work.

## **HOURS OF WORK**

- Crews will be working up to 12 hour shifts on Monday to Friday, from 7:00 a.m. to 7:00 p.m.
- Work on Saturdays may be required starting in June, from 7:00 a.m. to 5:00 p.m.
- Starting mid-July 2021, overnight weekday work may occur between the hours of 5:00 p.m. and 3:00 a.m. to complete piling work.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.

## **WHAT TO EXPECT**

- This will be an active construction site for the full duration of the project.
- Residents nearby can expect to hear some noise caused by a excavation machines, drill rigs, trucks and other equipment.
- Mitigations are being put in place to reduce dust impacts, including the use of water sprays and biodegradable dust suppressents.

## **TRAFFIC AND PEDESTRIAN IMPACTS**

- While there are no lane or road closures anticipated for this summer construction, lane reductions and pedestrian detours may be required to ensure everyone's safety. Further notification will be provided if any temporary road closures are required.

**The information provided above is anticipated based on the current construction schedule and are subject to change as a result of schedule changes, weather or unforeseen circumstances.**
