

# Eglinton Crosstown West Extension

---

## Lane Closures at Wincott Drive area in November 2022

The Eglinton Crosstown West Extension (ECWE) is one of four new subway projects that will transform transit in our region; getting hundreds of thousands of people where they need to be better, faster and easier than today.

### WHAT WORK IS HAPPENING?

West End Connectors Construction (WECC) will continue with the construction of the Emergency Exit Building (EEB) headwalls at the intersection of Wincott Drive, Bemersyde Drive and Eglinton Avenue West as part of the ECWE work. The future EEBs will provide both emergency outlets from the tunnels for passengers and emergency access for firefighters and emergency response teams. Work in this area is expected to be completed by spring 2023.

In mid-November, construction crews will be closing two north traffic lanes on Eglinton Avenue West east of Wincott Drive. During this work:

- Two lanes (one eastbound and one westbound) will continue to remain open to traffic during construction.
- Traffic will continue to make left and right traffic turns at the intersection.

### HOURS OF WORK

- Construction crews will work Monday to Friday between the hours of **7:00 a.m.** and **11:00 p.m.** Extended hours and weekend work may be required on occasion.

### WHAT TO EXPECT

- Residents can expect to hear noise from equipment, such as drilling, compaction equipment, hauling trucks, excavators, dozers, and generators
- We are working as quickly as possible to minimize the impact to the neighborhoods. Mitigations are being put in place to reduce dust impacts, including the use of water sprays and biodegradable dust suppressants.

### TRAFFIC AND PEDESTRIAN IMPACTS

- No sidewalks will be closed at this location during this work.
- WECC is working closely with Metrolinx and the City of Toronto to ensure the impact to pedestrians and cyclists is as minimal as possible during this construction.
- If additional pedestrian impacts or bus stop changes are required, a separate notice will be issued to keep the public informed.

### Join the ECWE project's Construction Liaison Committee (CLC)!

The quarterly CLC meetings provide a forum for residents, businesses or other local parties who have an interest in construction activities to communicate and share concerns directly with project staff.

For more details on how to join the CLC, email us at  
**[eglingtonwest@metrolinx.com](mailto:eglingtonwest@metrolinx.com)**.

The information provided above is anticipated based on the current construction schedule and is subject to change.
