

Community update of works east of Keele St. to Sentinel Rd.

January 2021 – April 2021

What?

As part of the construction of the future Finch West Light Rail (LRT) line, work continues on the Finch West station and required infrastructure. Across Finch Ave. W., from east of Keele Street to Sentinel Road, crews continue to install concrete piles and shoring to support excavation, deep excavation, utility relocation and road widening. Those activities and other works will continue throughout 2021.

Work will primarily occur between 7 am to 11 pm, however, some work will need to be accomplished overnight. Work that causes higher noise or vibration levels will be prioritized before 11 pm and monitored, if needed.

ONGOING AND UPCOMING ACTIVITIES

Tangiers Rd. to Sentinel Rd.

- Storm and sanitary sewer installation work across Finch Ave. W.
- Activities to widen Finch Ave. W. continue.
- Drilling to install concrete piles at the northeast and southwest corner of Finch Ave. W. and Keele St. continues
- Starting in mid-January, crews will shift traffic and install pile drills along the centre of Finch Ave. W. from Romfield Ln. to Keele St. The work will take approximately 18 months.
- Crews continue with telecommunication relocation at Finch Ave. W. and Sentinel Rd.
- Overnight work includes:
 - Activities to rebuild and relocate underground electrical system,
 - Storm and sanitary sewer installation,
