

Update. Road Closures for Utilities Installation.

Finch Avenue West at Damascus Drive and Kiskadee Drive

March 9- 12, March 16 - 19 and March 26-29, 2021

What?

As part of the preparatory works for the Finch West Light Rail Transit (LRT) line, crews have been relocating utilities in the vicinity of Finch Avenue West and Highway 27.

Crews will install a sanitary sewer at the intersection of Finch Avenue West and Damascus Drive, and a storm sewer at Finch Avenue West and Kiskadee Drive. The work will be done in three stages:

- Stage 1 - Damascus Dr. Closure: March 9 - 12, 2021
- Stage 2 - Kiskadee Dr. Closure: March 16 - 19, 2021
- Stage 3 - Finch Ave. W and Damascus Dr. Lane reduction. March 26 - March 29, 2021

To safely perform the work, the Finch Avenue West and Damascus Drive / Kiskadee Drive intersections will be closed as shown above. Damascus Drive will close first and when it re-opens, Kiskadee Drive will close at Finch Avenue West. The closures will not occur at the same time.

On March 26-29, 2021, Finch Avenue West at Damascus Drive will again be reduced to one lane to protect workers while they excavate at the median area. There will be a Paid Duty Office, flaggers, Portable Variable Message Signs, and detour signs to direct traffic.
