

Humber River Bridge Rehabilitation

March 2021 - 2023

What?

As part of the construction of the future Finch West Light Rail (LRT) line, work continues across Finch Avenue West, to relocate utilities, widen the road, and perform other preparatory works. The Humber River Bridge, located at Islington Avenue and Finch Avenue West, will be rehabilitated to accommodate the future LRT tracks in the centre of Finch Avenue West.

The rehabilitation work includes bridge jacking and bearing replacement, replacement of the deck, sidewalks and parapets, and track installation.

Work will happen on all four quadrants of the intersection, one at a time. Traffic and pedestrian configuration will change, as needed, when the construction area moves from one quadrant to the next. For safety reasons, TTC bus stops will be moved away from the intersection, and the sidewalks

adjacent to the construction area will remain closed. The pedestrian pathway located below the bridge will be intermittently closed, as needed. Signs will be posted in advance to notify pedestrians and transit riders about the current configuration throughout construction.

WORK HOURS:

- Work is anticipated to start in late-March 2021 and will be ongoing until 2023, approximately.
- Work will primarily occur Monday to Friday, from 7 am to 11 pm.
- Weekend and overnight work will occur, as needed.
- Work anticipated to have a higher noise or vibration impact is prioritized before 11 pm.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.

WHAT TO EXPECT:

- Heavy trucks and equipment in the area.
- Due to the nature of the work, there will be dust, noise and vibration associated with this work.
- Expect traffic delays near work zones.

TRAFFIC AND PEDESTRIAN IMPACTS

- Lane reductions on Finch Avenue West and Islington Avenue. At least one lane in each direction will be maintained.
- Sidewalks adjacent to the construction area will be closed. Pedestrians will be re-routed as needed.
- The pedestrian pathway located below the bridge will be intermittently closed throughout construction.
- Access to businesses, schools and churches will remain open, unless otherwise communicated.
- Please take extra care when navigating near work zones, and always make eye contact with drivers.
- Construction may be audible at times.
- TTC bus stops will be closed or relocated away from work zones, as needed.
- Relocation of bus stops is done in consultation with TTC.
- Access to TTC will be maintained at all times.
