What?

As part of the construction of the future Finch West Light Rail (LRT) line, work continues across Finch Avenue West, from Islington Avenue to Weston Road, future home to the Rowntree Mills and Emery Finch West LRT stops, to relocate utilities and widen the road.

Work will primarily occur between 7 am to 11 pm, however, some work will need to be accomplished overnight. Work that causes higher noise or vibration levels will be prioritized before 11 pm and monitored.
