

Overnight Utility Work Hwy 400 Ramp Closures

July 26th to Mid-August 2020

What?

To complete the Highway 400 bridge works, which is part of the future Finch West Light Rail (LRT) project, crews will complete high voltage utility work overnight at the Hwy 400 on and off ramps. Overnight utility work will start on Sunday, July 26 and continue to mid-August 2020, taking place between the hours of 10 pm and 6 am.

To limit impacts to motorists, crews will close only one Hwy 400 ramp each night to allow crews to work safely. Traffic signs will be installed in the area.

The eastbound on Finch Ave. W. to Hwy. 400 on-ramp will be closed for approximately three hours between 10 pm and 5 am on Friday, July 24 to allow for the safely installation of barriers in preparation for the overnight work.

WHAT TO EXPECT:

- Minimal overnight noise as well as site lighting can be expected.
- A noise monitor will be installed.
- Eastbound on Finch Ave. W. to Hwy. 400 on-ramp will be closed overnight on July 24, 2020 to prepare the work zone for the overnight work.
- One Hwy. 400 ramp at Finch Ave. W. will be closed every night. Ramp closures will not overlap.
- Please follow signage on site

WORK HOURS:

- Starting Sunday, July 26, 2020 and lasting until mid-August 2020, approximately.
- Extended work hours from 10 pm to 6 am.
- This work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.
