

Overnight Utility Work Hwy 400 Ramp Closures

August 23 - August 28, 2020

What?

To complete the Highway 400 bridge works, which is part of the future Finch West Light Rail (LRT) project, crews will complete high voltage utility work overnight at the Hwy 400 on and off ramps. Overnight utility work will start on Sunday, August 23 and continue until August 28, 2020, taking place between the hours of 10 pm and 6 am.

To limit impacts to motorists, crews will close only one Hwy. 400 ramp each night to allow crews to work safely. Traffic signs will be installed in the area.

The eastbound on Finch Ave. W. to Hwy. 400 on-ramp will be closed for approximately three hours between 10 pm and 5 am on Friday, August 21 to allow for the safely installation of barriers in preparation for the overnight work.
