

Underground Civil Work Martin Grove Rd. to Kipling Ave. October 2020

October 2020 - May 2021

What?

Starting in October 2020, our constructor Mosaic Transit Group (Mosaic) along with designated subcontractors for the Finch West LRT project will be working to rebuild and relocate the underground electrical system along the project corridor (please refer to map above). The rebuild includes the replacement of existing duct banks and cable chambers. This work supports the construction of the Finch West LRT project.

Work is anticipated to start in October 2020, for seven (7) months, approximately. The boundaries include Finch Ave. W. (North), Kipling Avenue (East), Finch Ave. W. (South) and Martin Grove Rd. (West).

WHAT TO EXPECT:

- Noise, dust and vibration from construction activity and equipment.
- Power outages will be necessary to switch from the old to the new electrical system. If that is the case, we will provide advance notice of planned outages to affected properties.
- Flaggers on site when necessary to ease traffic access and ensure public safety.
- Please obey all posted construction signs and do not enter the work zone.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
- Operational factors and weather may affect the schedule.

WORK HOURS:

- Starting in early October 2020 and lasting until May 2021, approximately.
- Work will take place Monday to Friday, between 7:00 a.m. and 7:00 pm.
- Weekend work will occur, as needed.

PEDESTRIAN AND TRAFFIC DETAILS:

- Road and sidewalk restrictions are in place within the construction area to protect workers and the public.
- In the event of any parking restrictions, advanced notice will be provided
