

# Underground Civil and Electrical work on Finch Ave. W between Westmore Dr. and Martin Grove Rd

Starting in February 2021

## What?

As part of the Finch West LRT Project, Finch, crews will be working on rebuilding and relocating the underground electrical system along Finch Ave. W. between Westmore Dr. and Martin Grove Rd. The work includes the replacement of the existing electrical cables, duct banks, cable chambers and hydro poles and starts at the beginning of February 2021 and will last for seven (7) months, approximately.

Information as of: January 17, 2021

  
**WHEN AND WHERE:**

- Work will take place Monday to Friday, between 7:00 a.m. and 7:00 p.m.
- Weekend work may occur, if needed.

**WHAT TO EXPECT:**

- Noise, dust and vibration from construction activity and equipment.
- Power outages may be necessary to switch from the old to the new electrical system. If that is the case, we will provide advance notice of planned outages.
- Expect lane reductions.
- Flaggers on site when necessary to ease traffic access and ensure public safety.
- Please obey all posted construction signs and do not enter the work zone.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
- Operational factors and weather may affect the schedule.

**PEDESTRIAN and TPAFFIC DETAILS:**

- Road and sidewalk restrictions are in place within the construction area to protect workers and the public.
- Pedestrians will be re-routed around the construction area when possible. For safety reasons, pedestrians may be diverted to the sidewalk on the opposite side.
- In the event of any parking restrictions, advanced notice will be provided.
- A minimum of one lane of traffic in each direction along Finch Ave. W. will be maintained.
- Expect short-term lane closures of the curb lanes in the area.
- Access to schools, churches, and businesses will be maintained.
- Access for emergency vehicles will be maintained.

**Bus Stop Relocations:**

- TTC bus stops in the affected area may be relocated for the safety of transit riders. Please watch for posted signs indicating the adjusted locations.
- Relocation and re-routing of bus stops is done in consultation with TTC to ensure construction can continue safely while minimizing impact on the community and customers.
