

Overhead and underground electrical work along Finch Avenue West corridor

July 2022- September 2022

What?

As part of the Finch West Light Rail Transit (LRT) Project, crews will be working on rebuilding and relocation the overhead and underground electrical systems along the project corridor. The rebuild includes the replacement of existing electrical cables, duct banks cable chambers and hydro. The work will occur in the following areas:

- Humber College Boulevard - Finch Avenue West
- Martin Grove Road - Kipling Avenue
- Weston Road-Signet Drive

It is scheduled to start in July 2022 for six (6) months, approximately.

There will be flaggers, and detour signs to direct traffic, when necessary

Sidewalks and crosswalks may be closed periodically. Minor field modifications will occur when needed to complete work safely and minimize impact on the public.

We will continue monitoring noise and vibration levels to make sure they are always within permitted ranges.

WORK HOURS:

- Work will primarily occur Monday to Friday from 7 am to 5 pm. There may be overnight and/or weekend work, if needed.
- Signs are installed to keep local residents informed about the closure.
- Dates are tentative and may change. Please visit us at www.metrolinx.com/finchwestlrt for up-to-date information.
- Inclement weather or unforeseen circumstances may delay work activities.

WHAT TO EXPECT:

- Heavy trucks and equipment in the area.
- Due to the nature of the work, at times there will be dust, noise and vibration associated with this work.
- Nearby businesses and residents can expect noise from excavators, bobcats, vacuum trucks and other construction equipment caused by road work activities.
- Expect delays near work zones.

PEDESTRIAN AND TRAFFIC DETAILS:

- Please be careful when navigating near construction zones
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
- TTC bus stops will be closed or relocated away from work zones, as needed.
- Relocation of bus stops is done in consultation with TTC.
- Access to TTC will be maintained at all times.
