

# Traffic split from Jane Street to Driftwood Avenue

November 2021 till December 2022

## What?

As part of the Finch West Light Rail Transit (LRT) Project, crews have been working on the final construction activities in the area between Driftwood Avenue and Jane Street along Finch Avenue West. In order to safely perform the work, traffic staging will be changed as shown above at the beginning of November 2021. It will remain in place till the end of 2022, approximately.

There will be one lane open in each direction and a dedicated left-turn lane at Jane and Finch intersection.

Signs will be posted to keep residents and businesses informed in advanced.

A Paid Duty Officer and flaggers will be managing traffic, as needed.
