What?

As part of the Finch West Light Rail Transit (LRT) Project, crews will be doing some civil and utility work at the Intersections of Finch Avenue West and Martin Grove Road. The work also includes guideway work and installation of permanent traffic signals and at grade stops. It is scheduled to start in April 2022, and will last for five (5) months, approximately. The work will be done in two stages:

Sidewalks and crosswalks may be closed periodically. Minor field modifications will occur when needed to complete work safely and minimize impact on the public.
