

# Community Update: Works on Finch Avenue West between Driftwood Avenue and Keele Street

April 2022 - June 2022

## What?

As part of the construction of the future Finch West Light Rail Transit (LRT), work continues on Finch West Station and required infrastructure. Across Finch Avenue West, from Driftwood Avenue to east of Keele Street, crews are working on the guideway infrastructure and construction Finch West Station including main box, main entrance box, portal and pedestrian tunnel. Structural work as well as formwork and rebar placing for the portal is ongoing. More traffic changes at the intersection of Finch Avenue West and Keele Street will occur late Spring 2022.

These activities and other works will continue throughout 2022. Work primarily occurs between 7:00 am to 11:00 pm, however, some work will need to be accomplished overnight. Work that causes higher noise or vibration levels will be prioritized before 11:00 pm and monitored, if needed. For updates, visit [www.metrolinx.com/finchwest](http://www.metrolinx.com/finchwest) and follow us on Twitter @FinchWestLRT.

## ONGOING AND UPCOMING ACTIVITIES

### Driftwood Avenue to east of Keele Street

- Road work, boulevard, guideway, and street lighting Installation
- Relocation of telecommunication and hydro utilities
- Wire stringing/regulating in various locations
- At grade Sentinel and Tobermory stop platforms installation work
- Rail track installation
- Concrete pours and other construction works at Finch West Station (Keele Street and Finch Avenue Intersection)

## WORK HOURS

- Work will primarily occur Monday to Saturday, from 7:00 am to 11:00 pm. There may be work on Sunday, if needed
- Overnight work may occur Monday to Saturday, from 11:00 pm to 7:00 am. There may be overnight work on Sunday, if needed
- Signs will be installed as needed to inform pedestrians and drivers about safe routes to take.
- Please visit us at [www.metrolinx.com/finchwestlrt](http://www.metrolinx.com/finchwestlrt) for up-to-date information
- Inclement weather or unforeseen circumstances may delay work activities

## PROBABLE IMPACTS

- Lane reductions (at least one lane in each direction will remain open)
- Slower traffic
- Localized sidewalk and crosswalk closures
- Noise, vibration
- Overnight work
- Dust
- Limited/controlled access to businesses, schools and churches, unless otherwise notified
- Water shut offs or lower than usual water pressure. Affected properties will be notified separately, in advance
- Power outages to switch from an old to new electrical system. There will be advanced notice of planned outages
- Full or partial intersection closures. Specific notices will be sent in advance as work is scheduled
- TTC bus stops will be closed or relocated, as needed, in consultation with the TTC
- Transit access will be maintained at all times. Updates available at [www.ttc.ca](http://www.ttc.ca)

---
