

Community Update: Works on Highway 27 and Finch Avenue West from Humber College Boulevard to Silverstone Drive

April 2022 - June 2022

What?

As part of the construction of the future Finch West Light Rail Transit (LRT), work continues on the required infrastructure across Finch Avenue West, from Humber College Boulevard, Highway 27 to Silverstone Drive. Crews continue building portal and guideway including excavation, base slab and wall concrete pours, duct bank, track slab and rail installation in the portal of Humber College Station.

More traffic lanes will be open around Highway 27, Humber College Boulevard early spring 2022. These activities and other works will continue throughout 2022. Work primarily occurs between 7:00 am to 5:00 pm, however, some work will need to be accomplished overnight. Work that causes higher noise or vibration levels will be prioritized before 11:00 pm and monitored, if needed. For updates, visit www.metrolinx.com/finchwest and follow us on Twitter @FinchWestLRT.

ONGOING AND UPCOMING ACTIVITIES:

Humber College Boulevard, Highway 27 to Silverstone Drive

- Structural steel installation has started
- Track drainage construction is ongoing
- Concrete work continues
- Guideway work continues

WORK HOURS:

- Work will primarily occur Monday to Saturday, from 7:00 am to 11:00 pm. Work may also occur on Sunday, if needed
- Overnight work will occur Monday to Saturday, from 11:00 pm to 7:00 am. There may be overnight work on Sunday, if needed
- Signs are installed to keep the community informed about the closures
- Dates are tentative and may change. Please visit us at www.metrolinx.com/finchwestlrt for up-to-date information
- Inclement weather or unforeseen circumstances may delay work activities

POSSIBLE IMPACTS

- Slower traffic
- Localized sidewalk and crosswalk closures
- Noise, vibration
- Overnight work
- Dust
- Limited/controlled access to businesses, schools, and churches, unless otherwise notified. Affected properties will be notified separately, in advance
- Power outages to switch from an old to new electrical system. There will be advanced notice of planned outages
- Intersection closures. Specific notices will be sent out with scheduled
- TTC bus stops will be closed or relocated, as needed, in consultation with the TTC
- Transit access will be maintained at all times. Updates available at www.ttc.ca
