

Community Update: Works on Finch Avenue West between Silverstone Drive and Islington Avenue

April 2022-June 2022

What?

As part of the construction of the future Finch West Light Rail Transit (LRT), work continues on the required infrastructure across Finch Avenue West, from Silverstone Drive to Islington Avenue. Crews continue working on utility relocation, and guideway including excavation, duct bank, track slab and rail installation up to west of Islington Avenue. Humber River Bridge rehabilitating is ongoing at the north-east and south-west quadrants. Retaining wall installation near Albion Mall and Finchdale Plaza is ongoing until late Spring 2022.

These activities and other works will continue throughout 2022. Work primarily occurs between 7:00 am to 11:00 pm, however, some work will need to be accomplished overnight. Work that causes higher noise or vibration levels will be prioritized before 11:00 pm and monitored, if needed. For updates, visit www.metrolinx.com/finchwestlrt and follow us on Twitter @FinchWestLRT.

ONGOING AND UPCOMING ACTIVITIES

Silverstone Drive to Islington Avenue

- Wet and dry utilities work between Islington Avenue and Westmore Drive, and at the intersection of Finch Avenue West and Albion Road continues
- Road work, boulevard, guideway and street lighting installation
- At grade stop platforms installation work
- Rail track installation
- Road widening and Guideway work

WORK HOURS:

- Work will primarily occur Monday to Saturday, from 7:00 am to 11:00 pm. There may be work on Sunday, if needed
- Overnight work may occur Monday to Saturday, from 11:00 pm to 7:00 am. There may be overnight work on Sunday, if needed
- Signs will be installed as needed to inform pedestrians and drivers about safe routes to take
- Please visit us at www.metrolinx.com/finchwestlrt for up-to-date information
- Inclement weather or unforeseen circumstances may delay work activities

PROBABLE IMPACTS

- Lane reductions (at least one lane in each direction will remain open)
- Slower traffic
- Localized sidewalk and crosswalk closures
- Noise, vibration
- Overnight work
- Dust
- Limited/controlled access to businesses, schools and churches, unless otherwise notified
- Water shut offs or lower than usual water pressure. Affected properties will be notified separately, in advance
- Power outages to switch from an old to new electrical system. Advanced notice of planned outages will be provided
- Full and partial intersection closures. Specific notices will be provided in advance as work is scheduled
- TTC bus stops will be closed or relocated, as needed, in consultation with the TTC
- Transit access will be maintained at all times. Updates available at www.ttc.ca

Virtual Hours of Operation:
Monday- Friday, 9:00 a.m. to 5:00 p.m.
In person- by appointment.
Tel: 416-202-6500
