

Community Update: Works on Finch Avenue West between Weston Road and Driftwood Avenue

April 2022 - June 2022

What?

As part of the construction of the future Finch West Light Rail Transit (LRT), work continues across Finch Avenue West, from Weston Road to Driftwood Avenue. Crews continue to relocate utilities, install guideway infrastructures, and widen the road. Retaining wall at Signet Drive will continue until late Spring 2022.

These activities and other works will continue throughout 2022. Work will primarily occur between 7:00 am to 11:00 pm, however, some work will need to be accomplished overnight. Work that causes higher noise or vibration levels will be prioritized before 11:00 pm and monitored, when required. For updates, visit www.metrolinx.com/finchwestlrt and follow us on Twitter @FinchWestLRT.

ONGOING AND UPCOMING ACTIVITIES

Weston Road to Driftwood Avenue

- Water main and sewer works in Finch Avenue West at multiple locations
- Hydro, telecommunications relocations, and below grade electrical work continue along this area at multiple locations
- Road work, boulevard, guideway, and street lighting Installation
- Wire stringing/regulating in various locations
- At grade stops work
- Rail track installation

WORK HOURS:

- Work will primarily occur Monday to Saturday, from 7 am to 11 pm. There may be work on Sunday, if needed
- Overnight work may occur Monday to Saturday, from 11 pm to 7 am. There may be overnight work on Sunday, if needed
- Signs will be installed as needed to inform pedestrians and drivers about safe routes to take.
- Please visit us at www.metrolinx.com/finchwestlrt for up-to-date information
- Inclement weather or unforeseen circumstances may delay work activities

PROBABLE IMPACTS

- Temporary Lane reductions (at least one lane in each direction will remain open)
- Slower traffic
- Localized sidewalk and crosswalk closures
- Noise, vibration
- Overnight work
- Dust
- Limited/controlled access to businesses, schools, and churches, unless otherwise notified
- Water shut offs or lower than usual water pressure. Affected properties will be notified separately, in advance
- Power outages to switch from an old to new electrical system. There will be advanced notice of planned outages
- Full and partial intersection closures. Specific notices will be sent in advance as work is scheduled
- TTC bus stops will be closed or relocated, as needed, in consultation with the TTC
- Transit access will be maintained at all times. Updates available at www.ttc.ca

Virtual Hours of Operation:
Monday- Friday, 9:00 a.m. to 5:00 p.m.
In person- by appointment.
Tel: 416-202-6500
