

Community update of works to expect from Hwy 27 to Martin Grove Road

May 2021 - July 2021

WHAT?

As part of the construction of the future Finch West Light Rail (LRT) line, work continues across Finch Ave. W., between Highway 27 and Martin Grove Rd. to relocate utilities. Crews are doing underground civil and electrical work, including the replacement of the existing electrical cables, duct banks, cable chambers, hydro poles, and rebuilding manholes. Streetlights and fiberoptics are being replaced as well. The work continues till September 2021, approximately.

The storm and sewer installation at the intersection of Finch Avenue West and Damascus Drive/Kiskadee Drive is nearly complete. Once the work is finished at the intersection, the crews will continue working east along Finch Avenue West.

Work will primarily occur between 7 am to 11 pm, however, some work will need to be accomplished overnight. Work that causes higher noise or vibration levels will be prioritized before 11 pm and monitored.

ONGOING AND UPCOMING ACTIVITIES

Hwy 27 and Martin Grove Road:

- Storm and sanitary sewer installation work across Finch Ave. W. is nearly complete at the intersection of Finch Avenue West and Damascus/Kiskadee Drive.
- Relocation of hydro poles and underground cables continues on Finch Ave. W. between Westmore Drive and Martin Grove Road. Outages will be required to switch power from the old to new infrastructure. Affected properties will be notified.
- Expect weekend work.
- Lane reductions (at least one lane in each direction remains open on Finch Avenue West)
- Slower traffic
- Localized sidewalk closures
- Due to the nature of this work, at times there will be noise and vibration around the work area.
- Overnight work
- Access to businesses, schools and churches will be maintained, unless otherwise communicated.

- Expect periodical lane closures.

WORK HOURS

- Work will primarily occur Monday to Saturday, from 7 am to 11 pm. There may be work on Sunday, if needed.
- Overnight work will occur Monday to Saturday, from 11 pm to 7 am. There may be overnight work on Sunday, if needed.
- Inclement weather or unforeseen circumstances may delay work activities.

IMPACTS

- Please take extra care when navigating near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
- **Power outages to switch from an old to new electrical system.** There will be advanced notice of planned outages.
- Sidewalks and intersection closures.
- TTC bus stops will be closed or relocated, as needed, in consultation with the TTC.
- Transit access will be maintained at all times. Updates available at www.ttc.ca
