

# Traffic Changes for Drilling Activity

**Mid-November - End of 2020**

## What?

Since April 2020, crews have been drilling and installing concrete piles to support the underground during excavation for the Finch West station on lots near the Finch Ave W. and Keele St. intersection. Starting in mid-November, crews will begin the next phase of the work and start drilling in the roadway on the southwest and northeast sides of Finch Ave. W. and Keele St.

In preparation for the next phase, crews will set up the new construction zones in mid-November on the eastbound lanes from west of Romfield Ln. to Keele St. and on the westbound lanes on Finch Ave. W., east of Keele St.

Metrolinx's contractor continues monitoring noise and vibration levels to make sure they are always within permitted ranges.

## **WHEN AND WHERE:**

- Set up of the work areas (compounds) on the southwest and northeast sides of Finch Ave. W. and Keele St. to start on or around November 19, 2020.
- Drilling will start once the work area is set up and continue until the end of the year, approximately.
- Once this stage is completed, construction areas will be moved. More information will be shared closer to the end of the year.

## **WORK HOURS:**

- Drilling activity will take place from 7 am to 11 pm, Monday to Saturday.

## **WHAT TO EXPECT:**

- Heavy trucks and equipment in the area.
- Noise and vibration from construction activity and equipment. Noise and vibration monitors are installed.
- Dust from drilling activity, which will be managed with water trucks during working hours.
- Flaggers on site when necessary to ease traffic access and ensure public safety.
- Please obey all posted construction signs and do not enter the work zone.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
- Operational factors and weather may affect the schedule.

## **PEDESTRIAN, TRAFFIC AND TRANSIT DETAILS:**

- Access to schools, churches, and businesses will be maintained, unless otherwise communicated.
- Access for Emergency Vehicles will be maintained.
- The sidewalk on the south side of Finch Ave. W. will remain closed from Romfield Ln. to Keele St.
- Bus stop (# 2612), for routes 36/336, located at the south west side at Keele St. and Finch Ave W. will be closed
- Bus stop (# 2625), for routes 36/36A/336, located at the southwest corner of Finch Ave. W. and Romfield Ln., will be moved to the edge of the construction area. It will remain opened.
- Bus stop (# 2626), for routes 36/36A/336, will remain opened on the northwest corner of Finch Ave. W. and Romfield Ln.
- Bus stop (#15632), for routes 36/336, located at the southwest corner of Finch Ave. W. and Tangiers Rd., will be relocated to the southeast of Finch Ave. W. and Tangiers Rd.
- Bus stop (#9149), for routes 41/107/341/941, located at the northeast corner of Finch Ave. W. and Keele St. will be relocated a few metres to the edge of the road.
- Access to TTC Subway Station will be maintained at all times.
- Please visit [www.ttc.ca](http://www.ttc.ca) for more information.
