

Utility Relocation and Road Widening on Hurontario Street from Lakeshore Road East to Pinetree Way

Beginning January 2021

What work is taking place?

To accommodate construction of the Hurontario LRT, new watermain, storm and sanitary systems will need to be installed. Alectra and telecommunication infrastructure will also need to be relocated. This infrastructure is on the main artery servicing properties along Hurontario Street and must be re-routed to ensure reliable service to customers.

Hurontario Street between Park Street and Pinetree Way will be widened to facilitate future lane configurations and the planned multi-use trail. Some tree removal will be required in the area and you may begin to see signs of this work starting towards the end of January 2021. Metrolinx is working closely with City of Mississauga to follow all bylaw and compensation guidelines. Temporary traffic signals will also be installed at intersections early in the new year, requiring some very short-term lane reductions. Once the temporary traffic signals are installed, the existing signals will be removed along with the medians.

TIMING

- Work is scheduled to start in January 2021 and will last approximately one year.
- Work will generally occur between 7 a.m. and 7 p.m., Monday to Friday. However, night and weekend works may be scheduled as required.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS

- Lane reductions will be required on Hurontario Street between Lakeshore Road and Pinetree Way.
- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching lane reductions.

WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Access to properties will always be maintained through at least one driveway or with the assistance of a Traffic Control Person.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

TRANSIT DETAILS

- Due to lane reductions along Hurontario Street, delays can be expected on MiWay routes 2, 8, and 335.
- Visit MiWay Transit website [Mississauga.ca/miway-transit](https://www.mississauga.ca/miway-transit) for bus service information.
- Watch for additional signs directing passengers at bus stops as boarding areas may be relocated.

PEDESTRIAN DETAILS

- Please take care when travelling near construction areas and watch for additional signs directing pedestrians as detours may be required.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

PROPERTY DETAILS

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city-owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.

ALECTRA DETAILS

- For more information on Alectra infrastructure relocation please contact them at 1-833-ALECTRA (1-833-253-2872)
