

Utility Relocation on Hurontario from Matheson Boulevard to Highway 407

Beginning Mid-September 2020

What work is taking place?

To accommodate construction of the Hurontario LRT, new watermain, storm and sanitary systems will need to be installed. Alectra & telecommunication infrastructure will also need to be relocated on Hurontario Street.

This infrastructure is on the main artery servicing residents and businesses along Hurontario Street between Matheson Boulevard to Highway 407 and must be re-routed to ensure reliable service to customers.

TIMING

- Work is scheduled to start in mid-September, 2020 and will last approximately one year.
- Work will generally occur between 7 a.m. and 7 p.m., Monday to Friday. However, night shifts and weekend works might be planned as needed.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS

- Lane reductions will be required on Hurontario Street between Matheson Boulevard and Highway 407.
- Traffic delays are expected.
- Temporary traffic signals will be installed.

WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Access to properties will always be maintained through at least one driveway.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

TRANSIT DETAILS

- MiWay, Züm, and Brampton Transit will continue to operate with regular service.
- Due to lane reductions along Hurontario Street, delays can be expected on Brampton Transit

routes 2,6, 7, Züm route 502 and MiWay routes 17,25,39,42,43,57,70, 103 and 104.

- Watch for additional signs directing passengers at bus stops as boarding areas will be relocated.
- A temporary pedestrian pathway will be provided to access the boarding areas.

PEDESTRIAN DETAILS

- Please take care when travelling near construction areas.
- Sidewalk access in the area could be affected.
- Watch for additional signs directing pedestrians as detours may be required.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

PROPERTY DETAILS

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.

ALECTRA DETAILS

- For more information on Alectra infrastructure relocation please contact them at 1-833-ALECTRA (1-833-253-2872)
