

Enbridge Gas Line Relocation on The Queensway and Hurontario Street

Beginning Early April 2021

What work is taking place?

To accommodate construction of the Hurontario LRT, Enbridge Gas is required to relocate a natural gas line on Queensway West at Hurontario Street. The pipeline is integral to Enbridge's natural gas system and must be re-routed to ensure the safe and reliable delivery of natural gas to customers in the Greater Toronto Area.

TIMING

- Work is scheduled to start in early April 2021 and will last approximately three months.
- Work will generally occur between 7 a.m. and 7 p.m., Monday to Friday. However, night and weekend works may be scheduled as required.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS

- Lane reductions will be required on Hurontario Street (short term) and The Queensway West (long term).
- At a minimum one northbound and one southbound lanes will be always maintained on Hurontario Street.
- At a minimum one eastbound and one westbound lanes will be always maintained on The Queensway.
- Traffic delays are expected.
- Temporary traffic signals will be installed.
- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching lane reductions.

WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Access to properties will always be maintained through at least one driveway or with the assistance of a Traffic Control Person.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

TRANSIT DETAILS

- Due to lane reductions along Hurontario Street, delays can be expected on MiWay routes 19, 103 and 53.
- Visit MiWay Transit website www.miway.ca/updates for bus service information.
- Watch for additional signs directing passengers at bus stops as boarding areas may be relocated.

PEDESTRIAN DETAILS

- Please take care when walking or cycling near construction areas and watch for additional signs directing the public such as detours and dismounting.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

PROPERTY DETAILS

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city-owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.

ENBRIDGE DETAILS

- For more information about the natural gas line relocation, please contact Enbridge at enbridgegasmedia@enbridge.com
