

TRANSFORMING TRANSIT IN YOUR AREA

HURONTARIO LIGHT RAIL TRANSIT

Information as of October, 2019

Enbridge Gas Line Relocation on Hurontario Street at John Street West

Beginning Late October 2019

What is the Hurontario Light Rail Transit Project?

The Hurontario LRT will be an 18-kilometre, 19 stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal. The Hurontario LRT will connect with the Port Credit and Cooksville GO stations, Mississauga Transitway, MiWay and Züm transit lines.

What work is taking place?

To accommodate the construction of the Hurontario LRT, Enbridge is required to relocate a gas line on **Hurontario Street** at **John Street West**.

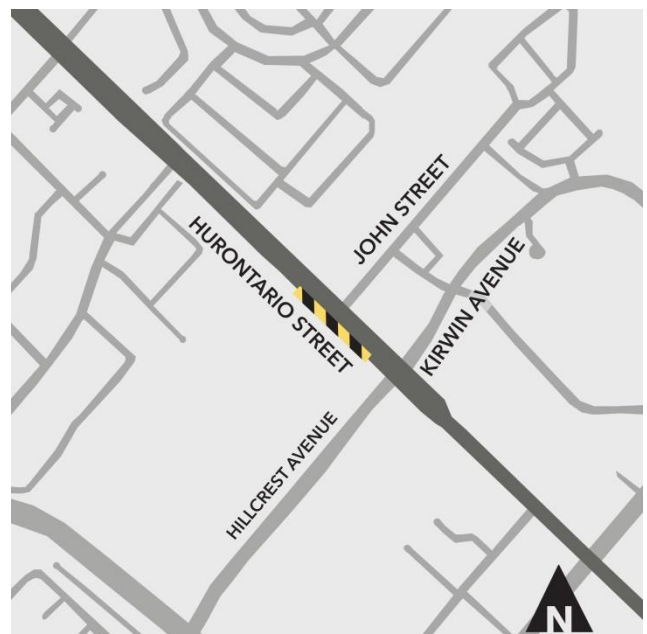

These pipelines are integral to Enbridge’s gas system and must be re-routed to ensure the safe and reliable delivery of natural gas to customers in the Greater Toronto Area.

Timing

- Work is scheduled to start in late October, 2019 and will last for approximately three weeks.
- Work will occur between 7 a.m. and 7 p.m., Monday to Friday.
- Work could be rescheduled and delayed due to weather conditions or any unforeseen circumstances.

What to Expect

- Every effort will be made to minimize disruptions.
- Access to properties will be maintained at all times through at least one driveway.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

Note: at no time will all lanes be closed.
