

TRANSFORMING TRANSIT IN YOUR AREA

HURONTARIO LIGHT RAIL TRANSIT

Information as of June 12, 2018

Rogers Communication Network Relocation

Phase 1 beginning late June 2018

What is the Hurontario Light Rail Transit Project?

The Hurontario LRT will be a 20-kilometre, 22-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal. The Hurontario LRT will connect with the Port Credit and Cooksville GO stations, Mississauga Transitway, MiWay and Züm transit lines.

What work is taking place?

To accommodate the construction of the Hurontario LRT, Rogers Communication Network is required to move fiber and coaxial network Lines on **Hurontario Street** between **Kirwin Avenue** and **John Street**.

These cables are integral to Rogers' network feeding your area and must be re-routed to ensure continued high quality reliable service.

Timing

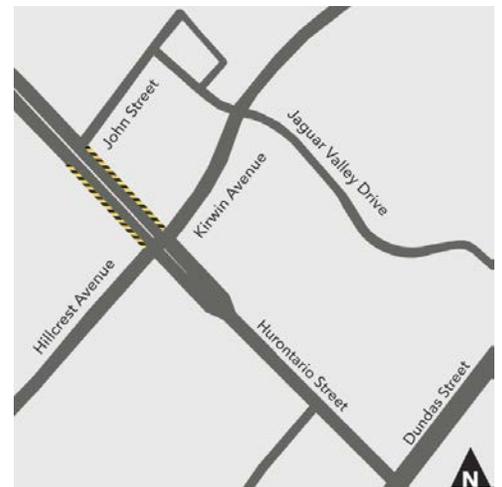

- Work may start as early as late June, 2018 and will last for approximately 8 weeks.
- Work will occur between 7 a.m. and 5 p.m., Monday to Friday.
- Work could be rescheduled due to weather conditions or any unforeseen circumstances.

What to Expect

- Every effort will be made to minimize disruption.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

Traffic Details

- During construction hours, lane reductions may be required on Hurontario Street between John Street and Kirwin Avenue. At a minimum, one north and southbound lane will be maintained at all times.
- Traffic delays are expected. Please plan accordingly.
- There will be no impact to property access.

Note: at no time will all lanes be closed.

...2

Transit Details

- Due to lane reductions along Hurontario Street between John Street and Kirwin Avenue, delays can be expected on Routes 103 & 19.

Pedestrian Details

- Please take care when travelling near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Sidewalk access in the area could be affected. Please watch for signage directing pedestrian traffic.

Property Details

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.

For more information about the Rogers cable relocation, please contact the HurontarioLRT Community Relations staff phone [416-202-7500](tel:416-202-7500) or by email hurontariolrt@metrolinx.com.

Thank you for your patience as we work to build this new project.

Please support your local businesses during construction.
