

Kitchener Fourth Track Construction

June 2022

What is Happening?

GO Expansion continues to improve, update, and modernize our infrastructure. Enhancements to tracks, bridges, and stations are necessary to prepare our current service to meet tomorrow's needs.

Construction crews will begin arriving on site just south of Bloor GO Station within the West Toronto Railpath to begin work on the Kitchener Fourth Track extension.

WHAT TO EXPECT

- Crews and construction vehicles arriving on site south of Bloor Station at the end of June 2022.
- When work is happening, you may notice crews, equipment and materials on the corridor in your community. You may also notice some preparation work and equipment movements along the corridor as needed.

HOURS OF WORK

- Work will occur between the hours of 7:00 am and 5:00 pm, five (5) days per week (Monday to Friday).

- Additional work may be required during the evening hours or on weekends. Advanced notice will be provided through the Toronto West e-newsletter.
- Work may be rescheduled due to unforeseen circumstances.

TRAFFIC & PEDESTRIAN DETAILS

- There will be some traffic impacts throughout this project along Bloor Street West and at Randolph Avenue. Advanced notice and additional details will be provided ahead of any traffic impacts.
- There will be pedestrian detours required along the West Toronto Railpath throughout this work - advanced notice will be provided, and onsite signage will be erected ahead of any detours.

QUESTIONS

We have a dedicated Community Engagement team available to answer your questions at any time by email or over the phone. For more information, feel free to contact them at the number or email address below. Thank you for your patience while we improve transit to get communities moving.
