

Project Update

February/March 2021

What is Happening?

Two buildings acquired by Metrolinx for the Scarborough Golf Club Road Grade Separation Project are being demolished. The properties are: 276 and 278 Scarborough Golf Club Road.

Updates will be provided in the Toronto East e-newsletter. To subscribe, go to metrolinx.com/lakeshoreastrailcorridor.

What to Expect?

In the interest of community safety, this work is being completed in advance of the grade separation construction.

- Utilities will be disconnected before demolition work begins
- On site during the demolition, residents can expect to see a small crew of 4-5 workers, excavators, roller
- Some noise, vibration and dust can be expected near the site of the demolition. The demolition contractor will follow protocols and bylaw requirements to mitigate these impacts.
- Vegetation: only one large cedar shrub between the two properties will be removed
 - Trees within close proximity to the work will be protected

HOURS OF WORK

- Demolition work will begin mid-March and is expected to take 2 weeks (approximately) to complete.
- 7:00 a.m. until 7:00 p.m. (Monday through Friday).
- Work may be rescheduled due to unforeseen circumstances (e.g. delay in utility disconnection).
- Updates to be provided in the Toronto East e-newsletter
