

# Eglinton GO Station Geotechnical Work

July 2021

## What is Happening?

There will be geotechnical investigations underway at Eglinton GO Station. The work will be completed on both sides of the rail corridor near the GO station building and the south parking lot (as illustrated above).

Any updates will be provided in the Toronto East e-newsletter. To subscribe, go to [metrolinx.com/lakeshoreeastrailcorridor](https://metrolinx.com/lakeshoreeastrailcorridor).

## What to Expect?

- Work requires the drilling of boreholes and testing soil conditions for the station improvements program
- There will be fencing in the areas where work is being completed
  - The work areas are in grassy areas away from walkways, parking and public spaces
- This work will take place during day-time hours.
- Residents can expect to see a small drill rig, trucks, and a work crew working
- Typical construction impacts can be expected, such as noise, vibration, dust
