

# Eglinton GO Station Cable Splicing Work

April 2021

## What is Happening?

There will be cable splicing work underway at Eglinton GO Station next week.

## What to Expect?

- There will be one overnight period where this work will be underway (see Hours of Work below)
- On site during the work, residents can expect to see a small crew of 4-5 workers a vacuum truck, a boom truck, light duty work vehicles
- Some noise can be expected but is not anticipated to be significant.
- For customers, there will be no impact to train service. There will be some parking spaces unavailable. For more information, visit <https://www.gotransit.com/en/the-future-go/improvements>

---

### HOURS OF WORK

- Wednesday, April 7, 9:30 a.m. - 1:30 p.m. (day shift) and Thursday, April 8, 11:00 p.m. - Friday, April 9, 7:00 a.m. (night shift)
- Work may be rescheduled due to unforeseen circumstances (e.g. poor weather conditions).
- Any updates will be provided in the Toronto East e-newsletter

### TRAFFIC & PEDESTRIAN DETAILS

- No traffic impacts are anticipated at this time.
- As always, please take care when travelling near work sites.

### TRANSIT INFORMATION

- No impacts to TTC, or other public transit modes are anticipated during this work.

### OTHER INFORMATION

- For the latest information on what's happening in your area, please subscribe to our weekly e-newsletter by going to [metrolinx.com/lakeshoreeastrailcorridor](http://metrolinx.com/lakeshoreeastrailcorridor).

**Thank you for your patience as we work to transform the rail corridor in your area.**
