

Lakeshore East Early Works: Overnight Utility Work at Eastwood

April 30, 2021

What work is taking place?

Crews will be working overnight from Friday April 30 to Sunday May 1, 2021 between the hours of 9:00 p.m. and 6:00 a.m., completing piping underneath the Lakeshore East Rail Corridor at Eastwood Avenue. Due to the nature of this work crews must complete these activities during the evening period for safety reasons.

What to Expect

Residents will see construction vehicles and equipment within the rail corridor, including a high-rail hydro vacuum truck, cube van, dump truck, high-rail dump truck and pick-up trucks. Residents should expect noise, vibration dust and site lighting during the evening period.

PROJECT INFORMATION

- We're making improvements today to bring you even more service in the future. Preparatory early works are getting underway on the Lakeshore East Rail Corridor Expansion project in Toronto. This project covers the area between Pape Avenue and Kennedy Road. Completing this work will enable the future addition of a fourth track and electrification infrastructure on the Lakeshore East line.
- Electrification is a key part of building a quieter, faster, more efficient network across the region. The new fourth track will improve journey times for all transit trips on the Lakeshore East Corridor, improve reliability and deliver more service within the City of Toronto.
