

Overnight Construction Activities Notice

July 2021 to November 2022

What work is taking place?

Crews will be mobilizing on July 19th to work along the Lakeshore East rail corridor, between Warden Avenue and Woodbine Avenue, where they will be expanding the passage to make way for a future track. Work will not occur in the entire length for the full duration of the notice and will include tree and vegetation removal, excavation, grading, piling, drilling, and the implementation of retaining walls. All construction activities will take place at night.

What to Expect

Residents can expect to see construction vehicles and equipment in the rail corridor and the surrounding areas, including pile driving equipment, dozer, crane, excavator, concrete trucks, and dump trucks. Due to the nature of this work, noise, vibration, dust and site lighting can be anticipated. Work crews will take reasonable precautions to minimize disturbances to residents.

HOURS OF WORK

- Work will occur between the hours of 7:00 p.m. and 7:00 a.m. five (5) days per week (Monday to Friday).
- Work is required to be conducted at night due to the rail corridor being active during daytime hours.
- Work may be rescheduled due to unforeseen circumstances.

TRAFFIC & PEDESTRIAN DETAILS

- Traffic will not be impacted at this time.
- Pedestrians will not be impacted at this time.
- TTC will not be impacted.
- Advanced notice of traffic impacts will be provided through our weekly e-newsletter.
- Increased construction vehicles and equipment can be expected in the work area.

OTHER INFORMATION

- For the latest information on what's happening in your area please e-mail TorontoEast@Metrolinx.com and ask to subscribe to our weekly e-newsletter.
- Please exercise caution around active construction sites.

PROJECT INFORMATION

- We're making improvements today to bring you even more service in the future. Preparatory early works are getting underway on the Lakeshore East Rail Corridor Expansion project in Toronto. This project covers the area between Pape Avenue and Kennedy Road. Completing this work will enable the future addition of a fourth track and electrification infrastructure on the Lakeshore East line.
- Electrification is a key part of building a quieter, faster, more efficient network across the region. The new fourth track will improve journey times for all transit trips on the Lakeshore East Corridor, improve reliability and deliver more service within the City of Toronto. For more information on this project and to see all construction notices please visit metrolinx.com/lakeshoreeastrailcorridor.

Thank you for your patience as we work to transform the rail corridor in your area.
