

Lakeshore East Early Works: Precondition Surveys

March 1, 2021

What Work Is Taking Place?

Metrolinx contractors will be undertaking precondition surveys at several properties in your neighbourhood.

A pre-condition survey is a non-invasive assessment of the exterior of your property completed prior to the start of our construction. This survey is an industry standard used to set baseline conditions of properties located in close vicinity to a construction site - participation is completely voluntary.

What to Expect?

To ensure construction activities do not affect the existing condition of neighbouring properties, Metrolinx contractors will be offering complementary pre-condition surveys to properties near the construction zone. This survey will consist of a visual inspection of the exterior of your property, using a digital camcorder. Assessments are typically completed within thirty (30) minutes.

During the first week of March, a representative from DST Consulting Engineers will be visiting properties in your area and offering precondition surveys. Alternatively, you may schedule your own appointment by contacting:

Sally Menati
Administrative Assistant
DST Consulting Engineers
Tel: 1-877-300-4800 ext. 362

QUESTIONS

If you have any questions, Metrolinx' s Toronto Region Community Relations team is available by phone at 416-202-3900 or by e-mail at TorontoEast@Metrolinx.com

KEEPING SAFE

- All Metrolinx personnel and contractors shall fully comply with site-specific requirements and procedures related to COVID-19. Site visitors are to comply with all legislative requirements including applicable guidance, and the Ministry of Labour's 'Construction site health and safety during COVID-19' guidance. For more information, please visit:
- <https://www.ontario.ca/page/construction-site-health-and-safety-during-covid-19>

OTHER INFORMATION

- For the latest information on what's happening in your area please e-mail TorontoEast@Metrolinx.com and ask to subscribe to our weekly e-newsletter.

Thank you for your patience as we work to transform the rail corridor in your area.
