

TRANSFORMING TRANSIT IN YOUR AREA

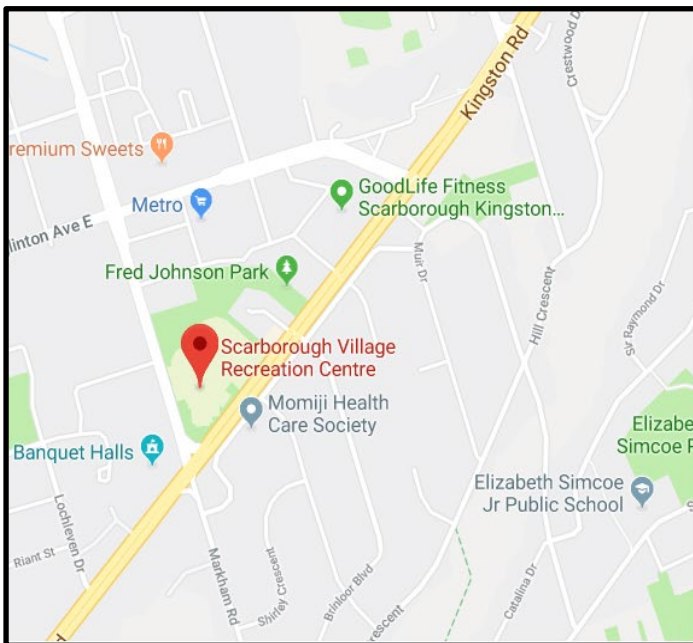

SEPTEMBER 2019

Scarborough Golf Club Road Grade Separation Update

Metrolinx is working to transform the way the region moves by building a seamless, convenient and integrated transit network across the Greater Golden Horseshoe. Over the next 10 years, Metrolinx is transforming the existing GO rail system to deliver a whole new rapid transit experience to your community. With more frequent train service you'll have more options to get you where you need to go.

You are invited to attend a community meeting to get an update on the Scarborough Golf Club Road Grade Separation Project.
