

Day and Night Work: Rail Maintenance at Danforth Ave and Victoria Park Ave

September 24th - September 26th, 2022

What work is taking place?

Crews will be mobilizing east of Danforth Avenue and Victoria Park Ave to perform work along the Lakeshore East rail corridor. This work includes removal and replacement of rail material that has reached the end of its service life, and the installation of replacement track.

What to Expect

Residents should expect some noise, vibration, dust, and site lighting. Work crews will take reasonable precautions to minimize disturbances to residents, but some heavy vehicle and machinery noise is expected.

HOURS OF WORK

- Work will be continuous from 7:00AM September 24 to 7:00AM September 26, 2022.
- Work may be rescheduled due to unforeseen circumstances.

TRAFFIC & PEDESTRIAN DETAILS

- The rail corridor will be accessed through Musgrave Ave. There will NOT be any construction staging on the access roads.
- Minimal traffic impacts are anticipated.
- Increased construction vehicles and equipment can be expected in the work area.
- Pedestrians will not be impacted at this time.
- TTC will not be impacted at this time.

PROJECT INFORMATION

- We're making improvements today to bring you even more service in the future. Preparatory early works are underway on the Lakeshore East Rail Corridor Expansion project in Toronto. This project covers the area between Pape Avenue and Kennedy Road. Completing this work will enable the future addition of a fourth track and electrification infrastructure on the Lakeshore East line.
- Electrification is a key part of building a quieter, faster, more efficient network across the region. The new fourth track will improve journey times for all transit trips on the Lakeshore East Corridor, improve reliability and deliver more service within the City of Toronto.
