

separation (separation of the road from the rail corridor) at Burloak Drive, and upgrades to the Drury Lane Pedestrian Bridge.

## What is Happening?

In preparation for construction for the Burloak Drive Grade Separation, early works and investigation activities will begin along Burloak Drive starting June/July 2022.

## Hours of Work

Investigation works are expected to begin June/July 2022 and continue intermittently for approximately three (3) months. Work is expected to take place Monday to Friday during daytime hours.

**Work may be rescheduled or extended due to weather conditions or unforeseen circumstances.**

## What to Expect

Crews will be drilling boreholes and wells, daylighting utilities and performing other preconstruction investigative works. Work zones and equipment will be delineated from the public right of way. We expect minimal noise and vibration from the work.

## Traffic & Pedestrian Details

Intermittent lane closures will be required as these works progress. Pedestrians and motorists will be routed around the delineated work areas. Directional signage will be installed as required.

## Transit Information

No impacts to public transit modes are anticipated during this work.

## Community Engagement

We are improving transit in your community. You may have questions or need to get in touch with us as work progresses. Metrolinx has a dedicated community engagement team in place that works with residents and businesses in the Halton Region.
