

Geotechnical drilling along Pape Ave from Hopedale to Poucher Street

Starting as early as August 22nd, 2022

What is happening?
 To advance design work crews will be using drill rigs to gather information and evaluate underground conditions

Timing

- **Scheduled start:**
August 22nd, 2022
- **Duration:**
Approximately one (1) month
- **Days:** Weekdays
- **Hours:**
Approx. 7am to 7pm

What to expect

- Crews will use a drill rig and support trucks to conduct geotechnical drilling along various locations near Pape Ave from Hopedale to Poucher St and side **within 100 meters** of Pape Ave and Minton Place
- Drums will be used to store soil and water from the drilling (they will be removed at the end of every shift).
- Residents and businesses near the work site can expect to hear noise caused by a drill rig and other construction equipment related to this work. Every effort will be made to minimize disruptions.
- While there are no impacts to sidewalks. Please take care and watch for signs (if needed) directing pedestrians when walking near construction areas.
- One lane is expected to be closed at any one time. A Paid Duty Officer and a flagger will be onsite to ensure traffic is maintained in all directions.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

• **Impacted Streets:**

Minton Place, north of Hopedale Ave.	Cosburn Ave. at Pape Ave.
Gowan Ave. at Pape Ave.	Laneway between Gowan and Cosburn west of Pape
Laneway between Aldwych and Sammon east of Pape	Aldwych Ave at Pape Ave
Sammon Ave at Pape Ave	Gertrude Place at Pape Ave
Langley Ave at Pape Ave
