

Groundwater Sampling near Pape Ave. and Browning Ave.

Starting as early as July 25, 2022

What is happening?

Workers will be using handheld equipment (water level measuring tape, bailer) to monitor and sample water.

Timing

- **Scheduled start:**
July 25, 2022
- **Duration:**
One Day
- **Hours:**
8:00 a.m. to 5:00 p.m.

What to expect

- Workers will be using handheld equipment (water level measuring tape, bailer) to monitor and sample water.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- One drum will be left overnight, everything else will be off the site by 5pm.
- All works and permits have been coordinated with the City of Toronto and other contractors.
- A PDO will be used for friendly towing if required.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
