

Investigative hydrovac work near Hopedale Avenue and Minton Place

Starting as early as June 15, 2022

What is happening?
 To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

Timing

- **Scheduled start:** June 15, 2022
- **Duration:** Two Days
- **Days:** Wednesday-Thursday
- **Hours:** 9:30am - 3pm

What to expect

- Residents and businesses near the work site can expect to hear minimal noise caused by trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Pylons and barricades will be set up to provide barriers between pedestrians and cyclists, and traffic.
- A paid duty officer will be on site to assist with directing traffic.
- The crew will be using stakes and spray paint to mark the location of utilities in the public right of way.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
