

# Investigative drilling work at 40 Beth Neelson Dr

Starting as early as September 13, 2021

**What is happening?**  
 MetroInx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, MetroInx can begin to determine the construction approach for this project.

## Timing

- **Scheduled start:** September 13, 2021
- **Duration:** 3 weeks
- **Days:** Monday-Friday
- **Hours:** 8 am to 4 pm

## What to expect

- Access to 40 Beth Neelson Dr will be maintained, with a flag person directing traffic. Every effort will be made to minimize disruptions.
- There are 5 work sites. Teams will work at each site for 3 weekdays, totalling 15 weekdays (3 weeks).
- **During drilling activity for each work site, at least 4 parking spots or the equivalent area will be occupied at that site, including overnight.**
- Businesses near the work site may hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Work equipment may be left on-site until work is completed. Please take care and watch for signs directing pedestrians when walking near construction areas.
- Periodic short-duration site visits to conduct sampling will be conducted after drilling concludes. There will be no noise, traffic, parking or pedestrian impacts associated with this work.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.

## The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
