

Investigative drilling work along Danforth Ave Between Pape Ave to Eaton Ave.

Starting as early as October 31st 2022

What is happening?

Metrolinx will be using drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

Timing

- **Scheduled start:** October 31, 2022
- **Duration:** One day
- **Day(s):** Monday
- **Hours:** Approximately 9 a.m.-3 p.m.

What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other construction equipment.
- Lane will be closed due work- one lane will always be open for traffic on the east or west side depending on which test pit they are working on.
- Equipment will be removed at the end of the workday.
- A Paid Duty Officer will be on site to help direct traffic.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
