

Investigative drilling work along Strange Street near Queen Street East

Starting as early as July 18, 2022

What is happening?

Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

Timing

- **Scheduled start:** July 18, 2022
- **Duration:** One Day
- **Hours:** 9:30 a.m.-3:30 p.m.

What to expect

- The work crew will be drilling one (2) boreholes along Strange St. near Queen Street East.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- There will be impacts on traffic, bicycle, and pedestrian traffic, however, this will be mitigated by traffic pylons and barricades.
- The southbound lane will remain open for traffic.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
